

Kushinga (Courage)

By Tadiwa Tariro & Jane Zhou

Vanoda mwari vanochengetwa
vanochengetwa vanekushinga
miedzo yenyika ikandikomberedza,
handivhunduke no no
Jehovah ndiye murwiri,
anesimba rekuyamura

***Ndichava nekushinga,
Nyangwe zvikaita sei
Ndichamira pachivimbiso***

Mumupata werufu
Muneni
Hamundisiye ndega
mumatambudziko munondikomberedza
murichiedza murima

Ndisina simba imi munaro
Murabako rekuhwanda
Mazuva ese ehupenyu hwangu
This will be my song

Mumatambudziko hamushanduke
munondipa kushinga

Those who love the lord are
Protected, they have courage

When the worldly temptations overwhelm me,
I'll not give in

God is my protector,
mighty to save

***I will have courage,
No matter what comes my way
I will stand strong on your promises***

In the valley of the shadow of death,
You are with me

You will not leave me alone

in trials you make me conquer
you are the light in the darkness

When I'm weak, you are always strong

My shelter in the raging storm

Every night and every dawn

Ndichaimba

In trials you remain the same,
you give me courage

I will not be afraid, you are with me everyday
and I know you are always here to stay
